

FIG. 3

FIG. 5

FIG. 4

Top view of a square substrate 14. The substrate contains a grid of circular openings 18. A central region 22 is defined by a dashed square, and a larger region 24 is defined by a solid square border. Two diagonal lines cross the grid.

Figure 1 shows a perspective view of a rectangular substrate 12 with rounded corners. The substrate is covered with a dense, regular array of small circular openings 34. A label 86 points to the top edge of the substrate.
